No. 4776===D2/51 dated 18==12==1951

Sir,

Sub:- INDUSTRIES - Sericulture - Photographic charges -
Expenditure - Sanction of - Regarding.

The Sericulture Expert, Kollegal has reported that out of the two photographic cameras available in the Research Section, Kollegal, one is being used for taking photomicrograph along with the microscope and the other for the general use in the laboratory and that he has to incur expenditure frequently in connection with the purchase of photographic materials and the development and printing of photos. He has further reported that as the work in the Research Section is on the increase it has become necessary to take more photographs in the various stages of experimental work and has requested that an amount of Rs.450/- may be sanctioned to meet the expenditure on photographic charges during the current year. I fully support the proposal but as the powers delegated to the Director of Industries and Commerce for sanctioning expenditure on photographic charges without any monetary limit have been withdrawn in G.O.No.Ms. 5208 Development dated 21-12-1950, I have to submit this case to the Government for favour of according sanction to an expenditure of Rs. 450/- towards photographic charges in the Sericultural Research Station, Kollegal for the current financial year. The expenditure is debitable to 43.a. Industries - F. Sericulture - I. Ordinary areas - 2. Mulberry cultivation - contingencies. The amount would be met from out of the anticipated savings from the Departmental Budget Provision.

(C.No.138920 G/51)

Sub:- Industries - Sericulture - Photographic charges - Expenditure during 1951-52 - Sanction ~~to~~ Sericultural Expert Kollegal - authorisation to S.E. to sanction expenditure on Photographic charges upto Rs.25/- at any one time - Proposals.

Ref:-From the D.I. & C. No.4776-D.2.51, dated 18-12-1951
Issued as Memo No.138920 M.I-51-1, dated 31-12-51 &
From the D.I. & C., No.4776-D.2.51, dt. 12-3-1952.

Prior to December, 1950 the D.I. & C. and the Sericultural Expert, Kollegal were empowered to sanction photographic charges in the public interest, ~~and~~ education and Scientific purposes. The Sericultural Expert was empowered to sanction such expenditure up to Rs.25/- at any one time, while no monetary limit was fixed in the case of the D.I. & C.

2. With a view to simplify the administration of the various departments of the Govt., the Retrenchment and Reorganization Committee recommended that larger powers may be delegated to the Dt. and Subordinate Officers. The recommendation was examined in consultation with the D.I. & C. so far as it related to the Industries Deptt. and orders were issued in G.O.No.Ms.5208 Devt. dt. 21-12-50 delegating, among others, the powers to sanction photographic charges upto Rs.25/- at any one time to the Principals of Polytechnics, etc. Attention in this connection is invited to para 1 on p.49 c.f. (K). The powers of the D.I. & C. and the Sericultural Expert Kollegal to sanction photographic charges were however withdrawn.

3. Attention is now invited to the correspondence on pp. 1-5 c.f. The Sericultural Expert ~~is~~ expected to incur an expenditure of Rs. 428-13-¹⁴pr (Rs. 430 in round figures) on Photographic charges up to 31-3-52. The D.I. & C. has reported ^{that} the work in the Research ~~Section~~ Section is on the increase and it has become necessary to take more photographs ⁱⁿ the various stages of experimental work. The Director's recommendation may be accepted and the expenditure of Rs.430/- sanctioned. For Orders.

4. Till December 1950, the Sericultural Expert exercised the powers to sanction expenditure on photographic charges up to Rs.25/- at any one time. In view of the fact that it has become necessary to take more photographs in the various stages of experimental work and in order to avoid the necessity to address the Govt. every time for sanction of expenditure the proposal to authorize the Sericultural Expert to sanction photographic charges up to Rs.25/- at any one time may be accepted. For orders.
